Dear Dr. Sandipan Mallik,

Greeting for the day &amp; hope you are doing well !

It was an immense pleasure for us, that you joined our Guest Talk Program and bestowed us. On behalf of the ECE Department of GIET, Baniatangi I would like to thank you for taking part in the same. It is because of dedicated academics such as yourself that it becomes a successful one. Your talk on "**Metal Oxide Semiconductor with High-K Gate Dielectrics**" was the most well attended and our faculty, staff and students are still talking about it.

Your precious time was of great importance for us. I appreciate your involvement and interest towards our organization by your kind presence in the program is not only a great support for us but also encouraged us a lot and made us more confident. It was nice to host you in our function, and your kind words worth a lot to us. People like you are a sort of encouragement for the young minds & we want to express our deepest gratitude towards you.

We hope that this kindness and cooperation will remain continue in the future.

At this outset I also thank Shri U. Rao, Shri K C Ray, Shri R N Choudhury, Shri N Mohapatra, Shri I C Prusty, Shri C K Das & the Team T&P for providing their supporting hand in all the way to make the program a successful one.

Last but not the least I take this opportunity to say thank to my revered Vice-Chairman Sir for all of his kind gesture, guidance & support that he has extended towards me for making the program grand success.

With warm regards,

---
